WORK EXPERIENCE

Freelance Graphic Designer & Illustrator
Self-employed, Munds Park, AZ (2018 - present)

Currently, Kassidy manages a wide variety of projects involving digital illustration, website design, and the creation of assets such as logos, among other tasks. She has worked with individual clients as well as local businesses within Arizona, such as Alesco Design Solutions. Her responsibilities include completing thumbnail sketches and wireframes, presenting a design brief, and communicating with clients across multiple revision stages.

Package Handler
Atomic Ammunition, Phoenix, AZ (2020)

Kassidy was responsible for labelling and sorting packages in a warehouse environment. Additionally, she participated in loading packages onto pallets alongside other workers, and assisted in daily work area maintenance.
